

Certificate of Approval

This is to certify that the Management System of:

SENER Ingeniería y Sistemas S.A.

Avda. Zugazarte, 56, 48930 Las Arenas, Getxo, Vizcaya, Spain

has been approved by LRQA to the following standards:

OHSAS 18001:2007

Gilles Bessiere - Area Technical Manager

Issued by: Lloyd's Register Quality Assurance España, S.L.U.

for and on behalf of: Lloyd's Register Quality Assurance Limited

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

Current issue date: 25 January 2019

Expiry date: 11 March 2021

Certificate identity number: 10171205

Original approval(s):

OHSAS 18001 – 5 September 2018

Approval number(s): OHSAS 18001 – 00016198

The scope of this approval is applicable to:

The activities relating to engineering services for studies and projects throughout the complete lifecycle, including design, construction, supplying, assembly, integration, test, start up, surveillance, operation, maintenance and integral management. Making use of technological disciplines such as civil, structure, mechanisms, mechanical, processes, electric, instruments, electronics, guidance and navigation, control, electro-optics, communications, fluid dynamics and software. In the business areas of civil engineering and architecture, energy and industrial processes (including oil industry and derivatives), marine and naval, space, defense, aeronautics, vehicles and medical devices.
